ORDER OF MODIFICATION

Adopted: July 8, 2016

Released: July 13, 2016

By the Deputy Chief, Mobility Division, Wireless Telecommunications Bureau:

1. *Introduction.* In this *Order of Modification*, we modify the operator privileges of Nattapong Chuamuangphan (Chuamuangphan), licensee of Amateur Radio Service Station KC1DWD, by replacing Amateur Extra operator privileges with General Class operator privileges. As explained below, we take this action pursuant to an earlier order proposing to modify Chuamuangphan's license.¹

2. *Background.* On January 29, 2016, the American Radio Relay League Volunteer Examiner Coordinator (ARRL VEC) sent an electronic data file to the Commission requesting that Chuamuangphan's operator license for amateur Station KC1DWD be modified to upgrade from General Class to Amateur Extra Class amateur radio operator privileges.² Based on this application, the Commission granted Chuamuangphan an Amateur Extra Class amateur service operator license on January 29, 2016. This license authorizes Chuamuangphan to be the control operator of an amateur station transmitting on frequency bands authorized by Section 97.301(b) of our rules.³

3. By correspondence dated May 23, 2016, ARRL VEC notified the Commission that it had made an error in the January 29, 2016, data file and that Chuamuangphan had not qualified for an Amateur Extra Class operator license.⁴ Therefore, ARRL VEC urged us to modify Chuamuangphan's license to correct the operator privileges authorized. Consequently, we proposed to modify the license for Station KC1DWD to show General Class operator privileges.⁵

4. *Discussion.* The *Order Proposing Modification* was released on May 25, 2016. Chuamuangphan did not protest the proposed modification of his license within the requisite thirty-day time frame.⁶ Accordingly, Chuamuangphan is deemed to have consented to the proposed modification.⁷

⁵ See *Order Proposing Modification* at ¶ 8.

⁶ See 47 C.F.R. § 1.87(g)(1).

⁷ See 47 C.F.R. § 1.87(h).

Based on the record before us, we conclude that it is in the public interest to modify Chuamuangphan's license for Station KC1DWD by replacing Amateur Extra Class operator privileges with General Class operator privileges.

5. *Conclusion and Ordering Clauses.* Accordingly, IT IS ORDERED that, pursuant to Sections 4(i) and 316(a) of the Communications Act of 1934, as amended, 47 U.S.C. §§ 154(i), 316(a), and Section 1.87 of Commission's Rules, 47 C.F.R. § 1.87, the license for Amateur Radio Service Station KC1DWD BE MODIFIED by replacing Amateur Extra Class operator privileges with General Class operator privileges.

6. IT IS FURTHER ORDERED that this *Order of Modification* shall be sent by certified mail, return receipt requested, to Nattapong Chuamuangphan, 194 Westminster Rd., East Weymouth, MA 01289.

7. This action is taken under delegated authority pursuant to sections 0.131 and 0.331 of the Commission's Rules, 47 C.F.R. §§ 0.131, 0.331.
